

A New Discovery for Those Suffering from  
**DEAFNESS and HEAD NOISES**

Experiments and experience bring forth new lights on old subjects, and what was looked upon as the best possible last year, is surpassed today. Until recent years those suffering from Deafness and their often accompanying aggravating Head Noises were the least bothered about. A trumpet or a large clumsy ear phone was the only help obtainable; often resulting in complete isolation for the young, middle-aged or old. That day is gone.

We have opened the door to new hearing by means of our newest invention; the rejuvenation of the auditory system by natural use, a method described by eminent men. A boon to mankind, combining all the Deaf have ever wanted or hoped for. The Great London Hearing Aid makes

you forget your Deafness; remove strain and Hear all the world of sound, conversation, music, radio, talkies, etc. Equally beneficial to young or old. Chosen for use by many professional men. Recommended by leading Aurists. Every instrument fully guaranteed.

First showing in Niagara Falls. The smallest Hearing Aid in the world. Fits in the outer ear without head band. Requires no attention. The use of this small aid will offset the greater part of your difficulty. By actual test you will know what can be done. You merely have to try it to know what this will mean to you, or write for booklet. If you are using an aid now, bring it with you. An allowance will be made for it.
